Embassy of the Democratic People's Republic of Korea in Denmark presents its compliments to the Royal Ministry of Foreign Affairs of Denmark and has the honour to inform the latter that new counsellor Mr. Sin Tae In, 3rd Secretary Mr. Li In Ho and Attache Mr. Choi Cha Ryang have arrived and assumed their posts at the Embassy.

Embassy of the Democratic People's Republic of Korea avails itself of this opportunity to renew to the Royal Ministry of Foreign Affairs of Denmark the assurances of its highest consideration.

udenrigsministerium til modtagerstatens udenrigsministerium, ville udenrigsministeriet sætte pris på fra Nordkoreas udenrigsministerium at modtage en bekræftelse af anmeldelsen, enten direkte eller gennem ambassaden i Peking.

Man anmoder ambassadøren om over for Nordkoreas ambassadør at præcisere, at de tre diplomater er modtaget med forbehold af, at der ikke ved politiets videre undersøgelser skulle fremkomme belastende oplysninger om de pågældende, i hvilket tilfælde udenrigsministeriet må forbeholde sig at vende tilbage til anmeldelses-spørgsmålet.

The Foreign Ministry has now received the following notice from the North Korean Embassy, dated 20.10.:

Embassy of the Democratic People's Republic of Korea in Denmark presents its compliments to the Royal Ministry of Foreign Affairs of Denmark and has the honour to inform the latter that the new counsellor Mr. Sin Tae In, 3rd Secretary Mr. Li In Ho and Attaché Mr Choi Cha Ryang have arrived and assumed their posts at the Embassy.

Embassy of the Democratic People's Republic of Korea avails itself of this opportunity to renew to the Royal Ministry of Foreign Affairs of Denmark the assurances of its highest consideration.

Considering that a chargé d'affaires cannot under current international law, cf. Vienna Convention art. 19, appoint himself, but is to be appointed by the head of the mission (who in this instance has been persona non grata) or by the sender state's Foreign Ministry, our Foreign Ministry would appreciate a confirmation of the appointment from the North Korea Foreign Ministry, either directly or from the Embassy in Beijing.

We recommend that our Ambassador makes clear to the North Korean Ambassador that should the investigation yield further incriminating evidence, their Foreign Ministry may be asked to advise further on the criminal charges.
