udvisning af nordkoreanske diplomater.

1. som det formentlig vil være udenrigsministeriet bekendt fra rigspolitichefen, tilsynet med udlændinge, har naervaerende ambassade udstedt et paafaldende stort antal visa til hervaerende nordkoreanske diplomater, i alle tilfaelde selvsagt efter bemyndigelse fra rigspolitichefen.

2. i den hervaerende forretning for diplomater kan man koebe toldfrie cigaretter af dansk fabrikat, prince og cecil. da man skulle tro, at markedet for disse uden for danmark og sverige ukendte maerker er meget begrænset, kan det taenkes, at der er tale om et biprodukt af store leverancer til hervaerende nordkoreanske ambassaden. det kunne derfor maaske vaere interessant at indhente oplysning om, hvor store maengder af de bemeldte cigaretter, der for eksempel i de sidste 6 maaneder er leveret til ''versina'', c/o assimex, brandenburg, ddr.

Expulsion of North Korean diplomats
amtel 179 dated 15.10.1976

1. The Foreign Ministry has probably been informed by the Federal Police Chief, Foreign Persons Supervisory Unit, that the Embassy has issued an unusually high number of visas to North Korean diplomats here, of course sanctioned by the Federal Police Chief.

2. In the kiosk for the diplomats here, it is possible to purchase duty-free cigarettes of Danish brands; Prince and Cecil. One can imagine the market for these brands to be very limited outside Sweden and Denmark, and so it is possible that these are merely small additions to larger shipments to the North Korean embassy here. Therefore, it could be interesting to gather information on the declared quantities of cigarettes, for example over the last 6 months, that have been delivered to "Versina", c/o Assimex, Brandenburg, GDR.
