MEMORANDUM FOR: The President, RadLibCom

ATTENTION: Assistant to the President

SUBJECT: Target Area Listener Report #177-70, dated
10 June 1970

Subject TALR is of special interest to the BOT. It is unusual for high Soviet officials to be so candid and objective as they were in subject TALR. It would be greatly appreciated if the identities of these two Ministry of Agriculture officials were provided to the BOT. Thank you for your cooperation on this matter.
