Forms, Methods, and Organization of Intelligence Work from Illegal Positions

Citation:

"Forms, Methods, and Organization of Intelligence Work from Illegal Positions", Date unknown, Wilson Center Digital Archive, IPN BU 3484/75. Contributed and translated by Kevin Riehle. <https://wilson-center-digital-archive.dvincitest.com/document/291290>

Summary:

In this undated document likely from the early 1970s, the Polish Ministry of Interior offers explanations on how illegal intelligence operatives operate: what covers they use and how they can be more fully integrated into Poland's intelligence process. The audience for the document appears to have other Polish intelligence professionals who already understood "legal" intelligence but were unfamiliar with illegals.
