Summary:

This CND leaflet encouraged voters to back candidates who opposed Cruise and Trident in the June 1982 by-election in Mitcham and Morden, London. The seat was won by Conservative candidate Angela Rumbold, however, in a rare case of the governing party picking up a seat in a by-election.

VOTE CND

Thursday 3 June

MITCHAM & MORDEN
BY-ELECTION

Ask the Candidates
DO THEY SUPPORT:

- 1 STOP CRUISE AND TRIDENT** — Opinion polls show that most people do *not* want American 'Cruise' missiles in Britain. Or to waste £10,000 million on Trident submarines.
- 2 NUCLEAR-FREE EUROPE** — On June 6th people from all over Europe and America will join us to demand a nuclear-free Europe, east and west.
- 3 DEVELOPMENT NOT DESTRUCTION** — The £8,000 million spent on arms every two weeks could provide food, water, education, health and housing for everyone in the world.
- 4 ACTION NOT WORDS** — Thirty five years of 'talks' and 'negotiations' have not removed one single nuclear weapon. Talking about disarmament is simply not enough. We demand action, not words.

CND DEMO

Sunday 6 June Belvedere Rd,
SE1 at 11am

WHY JUNE 6th? — Because the next day President Reagan arrives in Britain to drum up support for yet another generation of nuclear weapons. While 157 countries will be at the opening of the United Nations Special Session on Disarmament!
