Dear Comrades,

Given the situation on the ground of our movement and our country, and taking into account the results of the exploratory trip of the official Cuban delegation [Cadelo and Pina], we are sending you a list of the urgent needs of our organization. We are confident that you will give it immediate consideration.

1. The establishment, organization, and maintenance of a military school for cadres. We urgently need to create a company of security personnel, and we need to prepare the members of our military staff.
2. We need to rent a ship to transport the war material that we have in Dar-es-Salaam to Angola. The delivery in Angola, if this were a Cuban ship, could take place outside of the territorial waters.
3. Weapons and means of transportation for the Brigada de Intervención that we are planning to organize, as well as light weapons for some infantry battalions.
4. Transmitters and receivers to solve the problem of communication among widely dispersed military units.
5. Uniforms and military equipment for 10,000 men.
6. Two pilots and one flight mechanic.
7. Assistance in training trade union leaders.
8. Cooperation in the organization of schools for the teaching of Marxism (to solve the problems of the party).
9. Publications dealing with political and military subjects, especially instruction manuals.
10. Financial assistance in this phase of establishing and organizing ourselves.

We also urge that the Communist Party of Cuba use its influence with other countries that are its friends and allies, especially from the Socialist camp, so that they grant useful and timely aid to our movement, which is the only guarantee of a democratic and progressive Angola in the future.

Comrades, accept our revolutionary greetings and convey the good wishes of the combatants of the MPLA and of the new Angola to Prime Minister Fidel Castro.
