Department Relations I

The External Relations Attaché of P.R. Hungary to Pyongyang, I. Tabara, told V. Nanu on October 22 he found out from reliable sources that the North Korean authorities asked the People's Republic of China government to intervene with H. Kissinger (with the occasion of the latter's visit to Peking), for establishing contacts between the Democratic People's Republic of Korea and the US. The Hungarian interlocutor mentioned a new meeting would take place between Vice-Premier Heo Dam [Ho Tam] and H. Kissinger after the visit to Peking of the US official.
