MEMORANDUM

Mexico, DF, 24 October 1962

The Chilean Chargé d'Affaires visited Second Undersecretary [Pablo] Campos Ortiz this afternoon. He told him that he had instructions from his government to communicate to us, first, that Chile would vote in the OAS, in favor of the draft resolution presented by the United States (meeting of the Organ of Consultation under the terms of the TIAR [Inter-American Treaty of Reciprocal Assistance, i.e., the 1947 Rio Treaty], and that it will also vote in favor of the draft resolution that the United States will present to the meeting of the Provisional Organ of Consultation; and second, that Chile will vote, in the [UN] Security Council, in favor of the United States' Resolution.

This Chargé d'Affaires commented with regards to the first point, that the information was late, since the resolutions had already been approved. With regards to the second point, Campos Ortiz thanked him for his information, and mentioned the fact that Mexico is not member of the Security Council.

The Chargé d'Affaires ended by saying that his Government would have, as always, special interest in exchanging information with Mexico in everything related to the situation of the moment.
