EMBASSY OF CHILE
MEXICO
PRIVATE FOR MR. UNDERSECRETARY
DON JOSE GOROSTIZA.-

1. Chile wishes to emphasize with Mexico, with respect to the Cuban case, the exchange of information and to coordinate, if possible, the future action of both Governments.

2. In consideration of the new events in Cuba, that mean the implicit acceptance of Prime Minister Khrushchev, of the USSR, of the installation in Cuba of eminently offensive weapons and the presence of Russian elements [i.e., people-trans.] for their military use, strong sectors of Chilean public opinion deem that the Cuban problem will suffer a change in interpretation that will merit a modification of Chile's position with regards to the matter.

3. In addition to communicating these facts to the Mexican Foreign Ministry, the Chilean Government would be greatly indebted if you could give your points of view about the specific matter.
