CONFIDENTIAL-URGENT

Question of Cuba. Denuclearization of Latin America.

139 - FRIDAY - 1430hs - In the session in the morning, the Delegates from Canada, Sweden, and Ghana referred exhaustively to the Brazilian draft about denuclearization of Latin America and expressed support to the ideas it contains. The Delegate from Ghana formulated an appeal to the government of Cuba in the sense to accept the idea of inspection on the part of the United Nations. Given the reticent attitude, although cordial, of Padilla Nervo, I suggest a gesture together with the government of Mexico in the sense of obtaining its support to the Brazilian draft.
