Met verwysing na die Unie se Ambassadeur se diensbrief Z 4/10 van 28 April 1960 aan u en die afskrifte van telegramme tussen Wenen en Washington wat u aan my deurgestuur het, moet ek u meedeel dat aangesien die hulp blykbaar bedoel is vir ontwikkelde lande, die Raad nie van plan is om voort te gaan met 'n formele aansoek vir finansiële hulp nie. Die kwessie van die huur van kernbrandstof vir die Raad se Reaktor geniet egter aandag en 'n aparte skrywe sal eersdaags aan u gerig word.

Re: SOUTHERN UNIVERSITIES NUCLEAR PHYSICS INSTITUTE:

APPLICATION FOR GRANT FROM AEC OF USA.

With reference to the service letter, Z 4/10 on 28 April 1960, from the Union's Ambassador to you and the copies of telegrams between Vienna and Washington that you have sent to me, I must inform you that since the aid was apparently intended for underdeveloped countries, the Council does not intend to proceed with a formal application for financial assistance. However, the issue of the lease of nuclear fuel for the Council's reactor is receiving attention and a separate letter will soon be sent to you.

T. Schumann

Deputy Chairman: Council on Nuclear Power
