TOP SECRETRULES OF PROCEDUREANNEXURE B

In order to maintain control and co-ordination over all activities approved by ISSA, the following procedure will be established and adhered to:

1. Authorisation of new subjects

Requests originating from R.S.A. will be channeled through the Head of Technical Mission, Armaments Board to Defence Sales Office in the M.O.D. for approval, dissemination and action.

2. Purchases in Israel

Request by A.B. to purchase from Israeli Defence Industries, after being approved by M.O.D. will be transmitted to the Industries, with authorization to negotiate. The A.B. will be notified of such authorization for negotiations and execution may then commence by A.B. or other body (e.g. NIDR or Armscor or an Armscor subsidiary).

3. Financial consideration

All financial aspects will be governed by any existing umbrella agreement between A.B. and M.O.D.

4. Purchases from other sources

Requests by A.B. for purchases from other sources (non Israeli) will be processed directly by the M.O.D./Defence Sales Office in response to A.B. specific request.

DEFENCE INTELLIGENCE
DECLASSIFIED

5. Documentation

Copies of orders or contracts will be forwarded to

-2-

6. Communication channels

All communications will be channeled through or with a copy to M.O.D. mission, Pretoria.

7. Approving and Co-ordinating visits to Israel

Requests for visits on new or unapproved subjects from R.S.A. to the Defence Establishment or Industries will be made to Defence Sales Office, for authorisation and co-ordination as applicable. (Excluding purely military visits which will be processed through the military channels.)

Visits on approved subjects will be negotiated direct with copy to Defence Sales for co-ordination and assistance as may be necessary (e.g. where I.D.F. may be involved).

8. Security arrangements

All activities between the R.S.A. and Israel Defence Establishments and Industries are automatically covered by the SECMET Agreement.

Note: The term "purchase" implies all activities which might result in a Contractual undertaking.

All communication to M.O.D. will be channeled through M.O.D. mission for dissemination.

NOTE FOR ISSA MEETING

DISCUSSIONS IN CONNECTION WITH JAPONICA PROJECT

SUBJECT

1. Establishment of A.B. team in CANE.

Minister of Defence ISRAEL will represent A.B. for purposes of erection of the required building at ISL.

Minister of Defence will actually sign the agreement which will have been negotiated in full by A.B.

A back to back agreement will be entered into between A.B. and to guarantee M.O.D's committment.

Mr Ironi confirm that such an arrangement will apply to all such type of contracts. He confirmed that M.O.D. will firstly endeavour to arrange for IAI to fulfill this function if they do not find it possible M.O.D. will assist.

Col. Mar^{ee}~~ais~~ mentioned the question of personal accommodation.

It is confirmed that no assistance is required from M.O.D in this connection.

The S.A. Consulates legal advisor has agreed to assist in

the negotiations and IAI have agreed to serve as guarantor
A.B. will furnish a back up guarantee to IAI.

Mr P Smith will arrange a suitable back to back agreement
with M.O.D. to cover their undertakings on A.B.'s behalf.

Adm. Biermann

The Admiral reaffirm that the same problem of legal status
applies to the SAN team which is being established in Israel.

Mr Ironi confirms that the same arrangement as is offered for the
A.B. team will be available for the SAN team.

Mr Smith proposes retaining the services of the legal advisor
by means of an honorarium.

It is agreed that A.B. will retain the services of the legal
advisor for the use of both parties. However the A.B. and
SAN representatives will initiate and negotiate the various agree=
ments.

Mr Smith will discuss this matter with Comptrol **DEFENCE INTELLIGENCE**
Adm Biermann informed. **DECLASSIFIED**

13 JUL 2006

Admiral Biermann requests M.O.D. advice whether it may be ad=
visable to erect a school for the S.A. personel. **F SMIT**
68484963PE WO1

M.O.D. Mr Ironi approves of the idea and confirmed that there

Admiral Biermann raises the question about income tax for private individuals. Mr Ironi confirms that if necessary he would personally take up the matter with that treasury.

Mr Ironi suggest issuing diplomatic passports.

A.B. confirm that the men would not be allowed diplomatic passports.

Consideration would be given to the status of the official passport.

Gen Lemmer confirm that official passports are not issued because of security reasons.

He undertakes to investigate the possibility of issuing official passports.

Mr Ironi undertakes to investigate the matter of passports in Israel.

Gen Lemmer will liaise with the Israel officials on his next visit.

In reply to a question of transfer of goods Gen Lemmer informs the meeting that CSI will undertake all transfers to Israel.

2) Use of Local consultants

It is agreed that the covering factor is the security aspect.

Mr Ironi confirm that if the people are employed in a temporary basis on time limited control if for example M.O.D. would prefer to have first refusal. There is however no principle objection to the entracting consultancy services, provide M.O.D. is informed and can exercise first refusal.

3) Procurement Policy

Mr Bell inform the meeting about the present procedure for procurement of ships equipment.

68484963PE W01

ESCALATION

Agreed that for all future contracts with the Israeli Military Industries price variation shall be arrived at on the following basis.

$$P_i = P_o + (P_x - P_o) \frac{R_o}{R_i}$$

P_i = Adjusted Price

P_o = Contract Price

$$P_x = (M + 5\%) + (L - 5\%) \frac{W_i}{W_o}$$

where M = Percent material of contract price.

L = Percent labour of contract price.

W_i = Weighted average of official published indices for labour in Israel applicable to each contract.

W_o = Official index for labour on date of offer of contract price.

R_o = Rate of Exchange (Selling) between the U.S.A. dollar and Israeli pound ruling on date of offer.

R_i = Rate of Exchange (Selling) between the U.S.A. dollar and Israeli pound on date of payment by the Board against any contract.

Example:

$$P_o = \text{£ } 100$$

$$M = 30\%$$

$$L = 70\%$$

$$W_i = 145$$

$$W_o = 125$$

$$R_o = 4,25$$

$$R_i = 5,65$$

$$\begin{aligned} P_i &= 100 + \left[(30\% + 5\%) + (70\% - 5\%) \frac{145}{125} - 100 \right] \frac{4,25}{5,25} \\ &= 100 + \left[(35 + 65) \frac{145}{125} - 100 \right] \frac{4,25}{5,25} \\ &= 100 + \left(\frac{100}{1} \times \frac{145}{125} - 100 \right) \frac{4,25}{5,25} \\ &= 100 + \frac{16}{1} \times \frac{4,25}{5,25} \end{aligned}$$

MOD 6 : NEW TANK - MINUTES OF 3rd ISSA MEETING

Visit by Technical Team to Cane completed beginning September 1975. Team established feasibility and extent of local manufacture based on existing infra structure.

MOD cannot make tank as a weapons system available for evaluation by the SADF/AB for another 12 months and insists that a contract or heads of agreement be entered into before such an evaluation be conducted.

The S A Army is insisting on the ruling at 3rd Issa Meeting viz. that prior to a contract being entered into the tank be evaluated as a weapons system.

Therefore, whilst the S A Army finds the Feast tank acceptable in principle, in terms of the agreement reached at the 3rd ISSA Meeting, the conclusion of a licence and know-how agreement will depend on the successful verification of the tank performance and the negotiation of mutually acceptable terms and conditions.

Handwritten notes:
Can be made as a weapons system
of the tank
