UNITED NATIONS COMMISSION FOR THE UNIFICATION AND REHABILITATION OF KOREA

Seoul, 23 January 1967

*Korea*

Dear Mr. Narasimhan,

There is little to report to you this week. The domestic political situation remains calm. During the President's message to the National Assembly of the ROK on 23 February 1967, the National Assembly is now discussing the signing of North Korean shore batteries of the ROK factories protection.

Dear Ali,

I hope that by the time this letter reaches you you will have returned to Seoul after a successful session of the Commission in Tokyo.

I returned from my trip to the Far East on 19 February and I have since seen Mr. Syrov's letter of 27 January, your letter of 10 February and your further report of 17 January. I am glad to have the news regarding the continuation of logistical support for UNCURK. I hope that the difficulties in regard to the Alternate Representatives can be ironed out soon.

I also hope that during your visit to Tokyo you will have a chance to meet with Dr. Luke Lee, about whom I wrote to you in the course of my travels.

Regarding your confidential letter on the subject of Mamoharan, I shall send you, and him, a separate reply in due course.

With best wishes,

Yours sincerely,
