Summary:

Pervez's lawyers had mounted an entrapment defense in 1987 and a Supreme Court decision relating to that defense (Matthews vs. United States) case made it possible for Pervez to launch successfully a bid for retrial on all of the counts. After plea bargaining discussions, a trial was avoided when Pervez pleaded nolo contendere to the count of illegal export of beryllium. He was released from prison on 4 April 1990 on the basis of time served.
