(b) if the answer to part (a) above be in the affirmative, will the Minister be pleased to state whether the Prime Minister at the time of her recent visit to Assam denied the report that the Centre would set up a second oil refinery in Assam; and

(c) whether it is a fact that the Prime Minister in her speech at a public meeting in Gauhati on October 3, 1970, said that the demand for the refinery is a "small" matter?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND CHEMICALS AND MINES AND METALS (SHRI D. R. (b) It is not correct to say that the Prime Minister during her recent visit to Assam denied the report that the Centre would set up a second oil refinery in Assam. She said that the entire issue was under consideration.

(c) What the Prime Minister said was that a second Oil Refinery was not likely to solve all the problems of the State. It might help only in a small way in solving the problems of development and of providing employment opportunities to the people of the State.

She exhorted the people of Assam, specially the youth, to work whole-heartedly for a higher goal with a view to fulfil the hopes and aspirations of the people of Assam.
