товарищу Багирову

Согласен с Вашим предложением о выделении наших людей в виде советников для помощи министерству национального правительства иранского Азербайджана.

Обратите внимание на состав командируемых и на то, чтобы они соответственно держались по приезду на место не афишируя своего советского гражданства.

Молотов.

I agree with your proposal to allocate our people as advisers to help the ministry of the national government of Iranian Azerbaijan.

Direct [your] attention to the makeup of those being sent and so that they conduct themselves appropriately on arrival on site, not advertising their Soviet citizenship.
