From: The President

I wish to acknowledge with thanks the receipt of the Minister's Report No. 018 dated September 13th.

Since Minister Choi is here I will be receiving his personal report so I shall comment briefly on No. 018.

I am glad the APACL has decided to hold the meeting in November before the United Nations General Assembly opens.

I have also noted the report about the development of Chinese-Vietnam and Vietnam-Japan relations.

In future, if you wish to publish anything about myself or Mrs. Rhee or, for that matter, the Government in foreign papers, please find out first if the article is correct and then get the approval.
