My dear General Quill:

It is with pleasure that President and Mrs. Shee have received word from you of the completion of a windmill, donated by Sears Roebuck and Company, which will serve to pump water from the earth for the rice fields.

On the morning of the 22 July has a very full schedule in his office and he has therefore asked me to express his sincere regrets that he will be unable to accept your kind invitation to attend the ceremony of dedication in the grounds of the Koyang Agricultural High School.

President Rhee would like to take this opportunity of expressing his appreciation to the officers and men of the 24th Infantry Division who have so liberally given their technical knowledge, time and effort to completing this worthy project.

Sincerely,

C. J. Yu Secretary to President Rhee

Brigadier General James B. Quill Deputy Chief of Staff Beadquarters Eightn United States Army (Forward)
